Welcome to our School
Kendriya Vidyalaya Bhimtal, a Co-Educational school is located in the western Himalayas at an altitude of 4620 ft near Lake Bhimtal. Towards west it commands a magnificent view of evergreen trees - covered Himalayan ranges and to the south, Gangetic plains.
K.V. Bhimtal provides a creative and encouraging environment for all round growth and development in the sphere of physical, social and intellectual progress. The school environment is warm and caring helping the student to bloom into a healthy and well adjusted personality. The K.V. bhimtal was started on 1st April 2003 with its branch K.V. Pines. The school holds an old & rented building from Jila Panchayat
